

# KENT CHOICES

## Year 10 and 11 apprenticeship timeline

### Year 10

Use your work experience to build transferable skills and learn about the world of work.

### Year 10 (Summer) – Preparation is key!

Explore the [National Careers Service](#) and [Amazing Apprenticeships](#) to learn more about different career and apprenticeship pathways, whether you're undecided or already have a career goal in mind.

### Prepare your CV

you will need to tailor your CV for each application but have base ready to go.

Watch our KentChoices Podcast episode about apprenticeships.

Recorded 16 October 2025

### Year 11 – November

College and Sixth Form applications open – make sure you apply as a back up, in case the apprenticeship route doesn't work out.

Just like other jobs!

You can also search of opportunities directly on company websites. Can't find what you are looking for? Reach out to companies – give them a call and see if they have anything coming up.

Apprenticeship vacancy websites we recommend are [Gov.uk](#) [KentChoices](#) Remember to check back each week to find any new apprenticeship vacancies.

### January

We recommend starting your search for an apprenticeship from January, but vacancies will be posted throughout the year.

**National Apprenticeship Week**  
9 to 15 February 2026

**Need interview tips?**

[Visit the Prospects website](#)

If results day doesn't go as planned, contact us for support: 03301 651 120

### Apply!

Apply to as many apprenticeships – that are relevant and interesting to you – as you can.

Prepare for and attend any interviews you receive.

Received an apprenticeship offer?  
**Accept!**

### Results Day:

20 August 2026  
Confirm your grades with your apprenticeship.

### September 2026

Most apprenticeship start in September – but they can start all year round.
